

Alaska Fire Chief's Association

Resolution

2008 – 04

A resolution supporting a change to Alaska Statute 18.08.030 to include a membership position for the Alaska Fire Chief's Association on the Alaska Council on Emergency Medical Services (ACEMS).

WHEREAS: Alaska Statute 18.08.020 does establish the Alaska Council on Emergency Medical Services, and

WHEREAS: Alaska Statute 18.08.030 does define the membership of the above described board, and

WHEREAS: the Alaska Council on Emergency Medical Services does regularly meet to establish direction to the emergency medical service of the State of Alaska, and

WHEREAS: the fire departments within the State of Alaska are an integral part of the emergency medical services, and

WHEREAS: the Alaska Fire Chief's Association does represent a majority of the fire departments which also provide emergency medical services,

THEREFORE BE IT RESOLVED: that the Alaska Fire Chief's Association encourages and supports the necessary changes to the applicable Alaska Statutes and related Administrative Codes to include a membership for said organization on the Alaska Council on Emergency Medical Services.
