Resolution  
2008 – 05

**A resolution supporting a change to Alaska Statute 26.23.073 to include a membership position for the Alaska Fire Chief's Association on the Alaska State Emergency Response Commission.**

WHEREAS: Alaska Statute 26.23.071 does establish the Alaska State Emergency Response Commission and does provide the Governor of the State of Alaska the authority to appoint members to the Commission, and

WHEREAS: the Alaska State Emergency Response Commission, to the extent practicable, must include members with expertise in the emergency response field, and

WHEREAS: the fire departments within the State of Alaska are an integral part of immediate emergency response efforts, and

WHEREAS: the Alaska Fire Chief's Association does represent many of the fire departments providing these services,

THEREFORE BE IT RESOLVED that the Alaska Fire Chief's Association does encourage and support the necessary changes to the applicable Alaska Statutes and related Administrative Codes to include representation of said association on the Alaska State Emergency Response Commission.

Adopted this \_\_\_\_\_ day of \_\_\_\_\_ 2008 at the
